

# Funds needed for Church

The Holy Family Church of Roy, New Mexico is appealing to you to help raise the last \$30,000 needed to meet the contractor's bid to add a small addition to our church. This place of worship has never had running water or a bathroom! It was originally to be the basement of a larger church, which was never completed...therefore there are several steep steps down to enter the church. We are including bathrooms and a handicap ramp in this addition.. We have many elderly parishioners and many parishioners who drive over 35 miles to attend Mass. So a bathroom and a handicap ramp would make life so much easier for us.

We have raised almost \$100,000, we have the Archdiocese permission to begin, but we are short of our goal by about \$30,000. If you could help us in anyway we would be so grateful. We have worked hard raising this money for almost 4 years and now we are so close to being able to begin this project.

Please send contributions to: Holy Family Catholic Parish

God bless you!
