

Community Calendars

Dear Neighbor,

The Solano Homemakers Club is setting up the Annual Community Activity Calendar. Past years' calendars have been very informative and an easy reference for most all of our county activities. We have been pleased with their success and are hoping you will participate again this year.

The calendars run from August to July of the current year so that we can include both the schools' activities.

The deadline to get your calendar ordered is coming soon.

If you have any questions, call: Linda Lewis at 575-673-2321

For your convenience, we have included an order blank. Please feel free to make corrections if deemed necessary.

Please enclose payment with your order. Checks should be made out to the Solano Homemakers' Club and mailed to the above address.

Thank you for your support.

Linda Lewis

Committee Chairman
